Yes Inverse, I'm refering to you in yakuza terms xD

SOUL EATER NOT!

Chapter 11: Anya Strike 2

Ohkubo Atsushi

TF

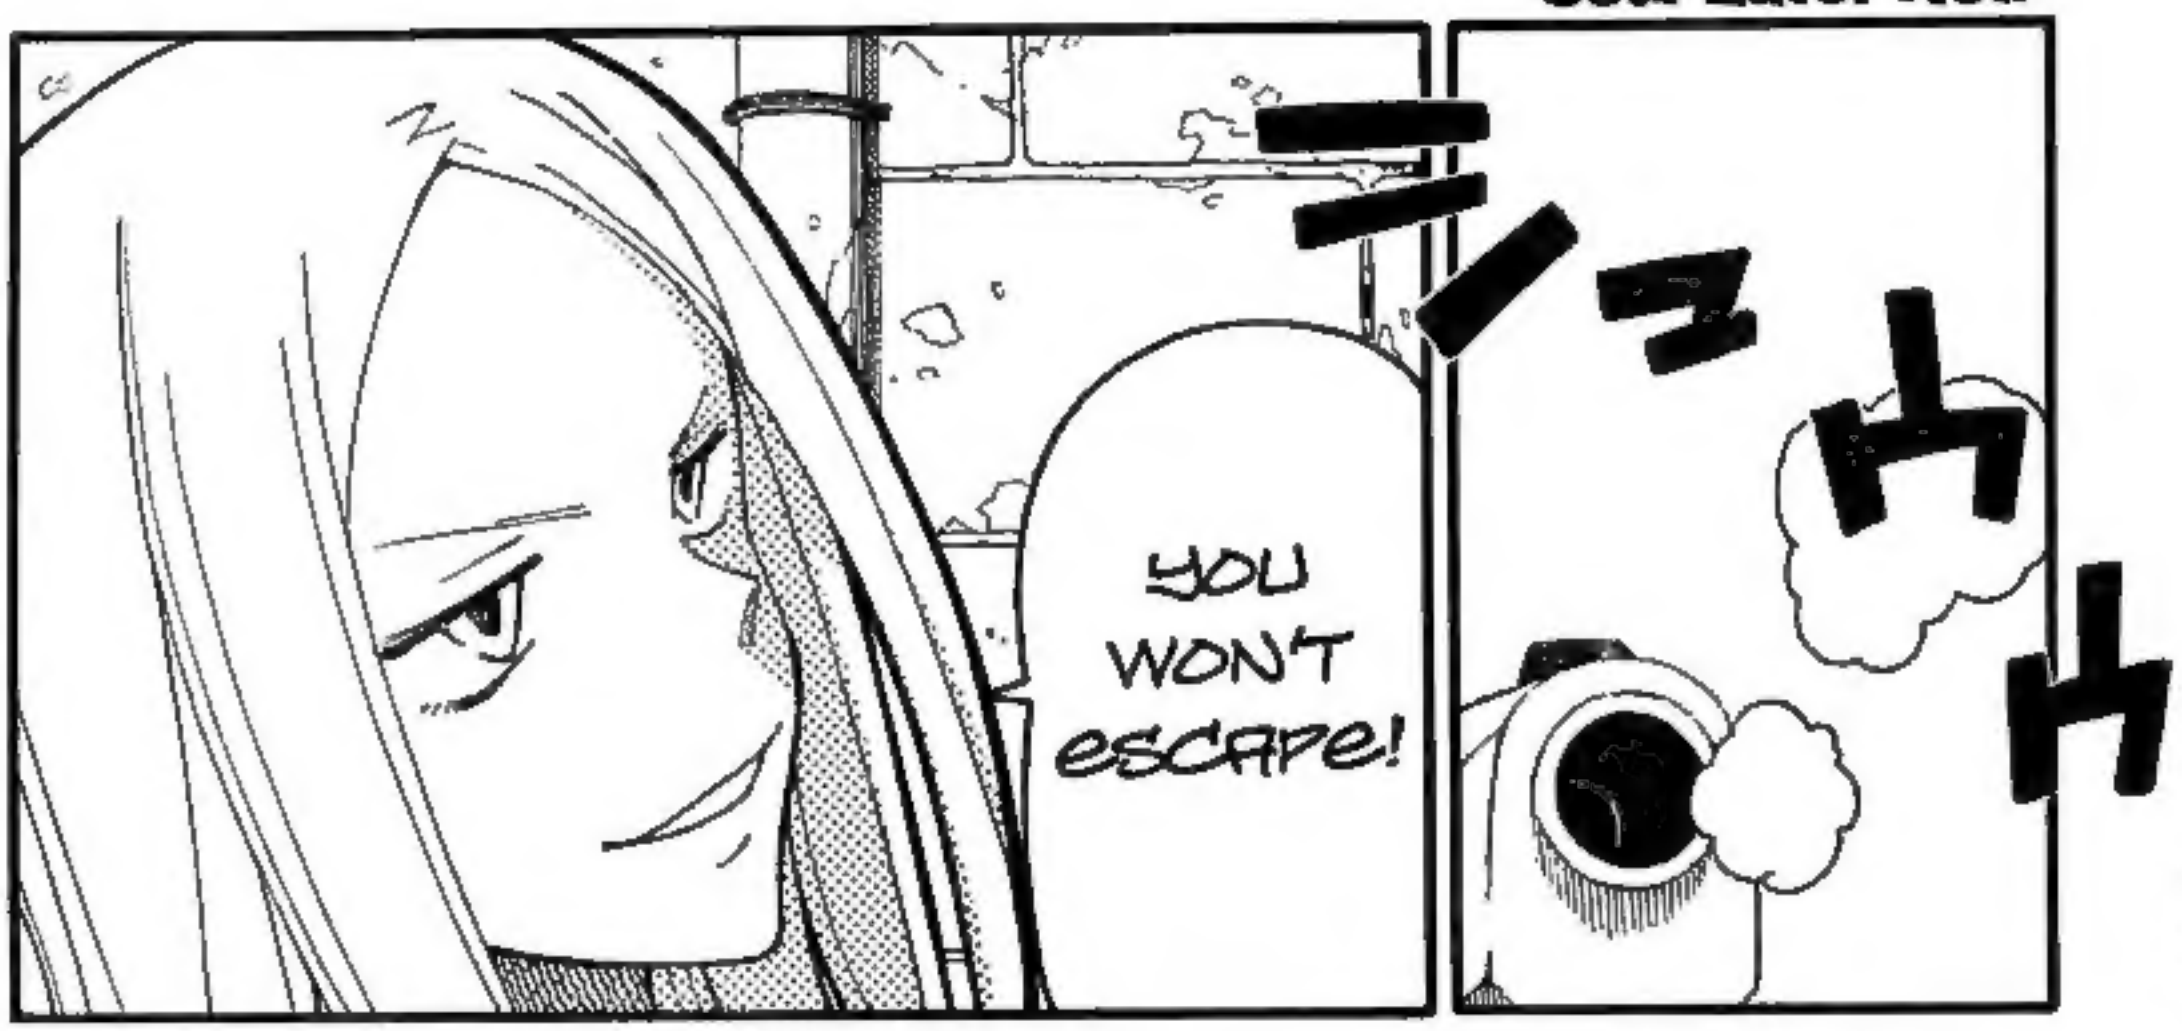
WHAT'S WRONG? YOU SEE A GUN AND NOW YOU CAN'T EVEN MOVE?

maybe I should hide behind that wall...

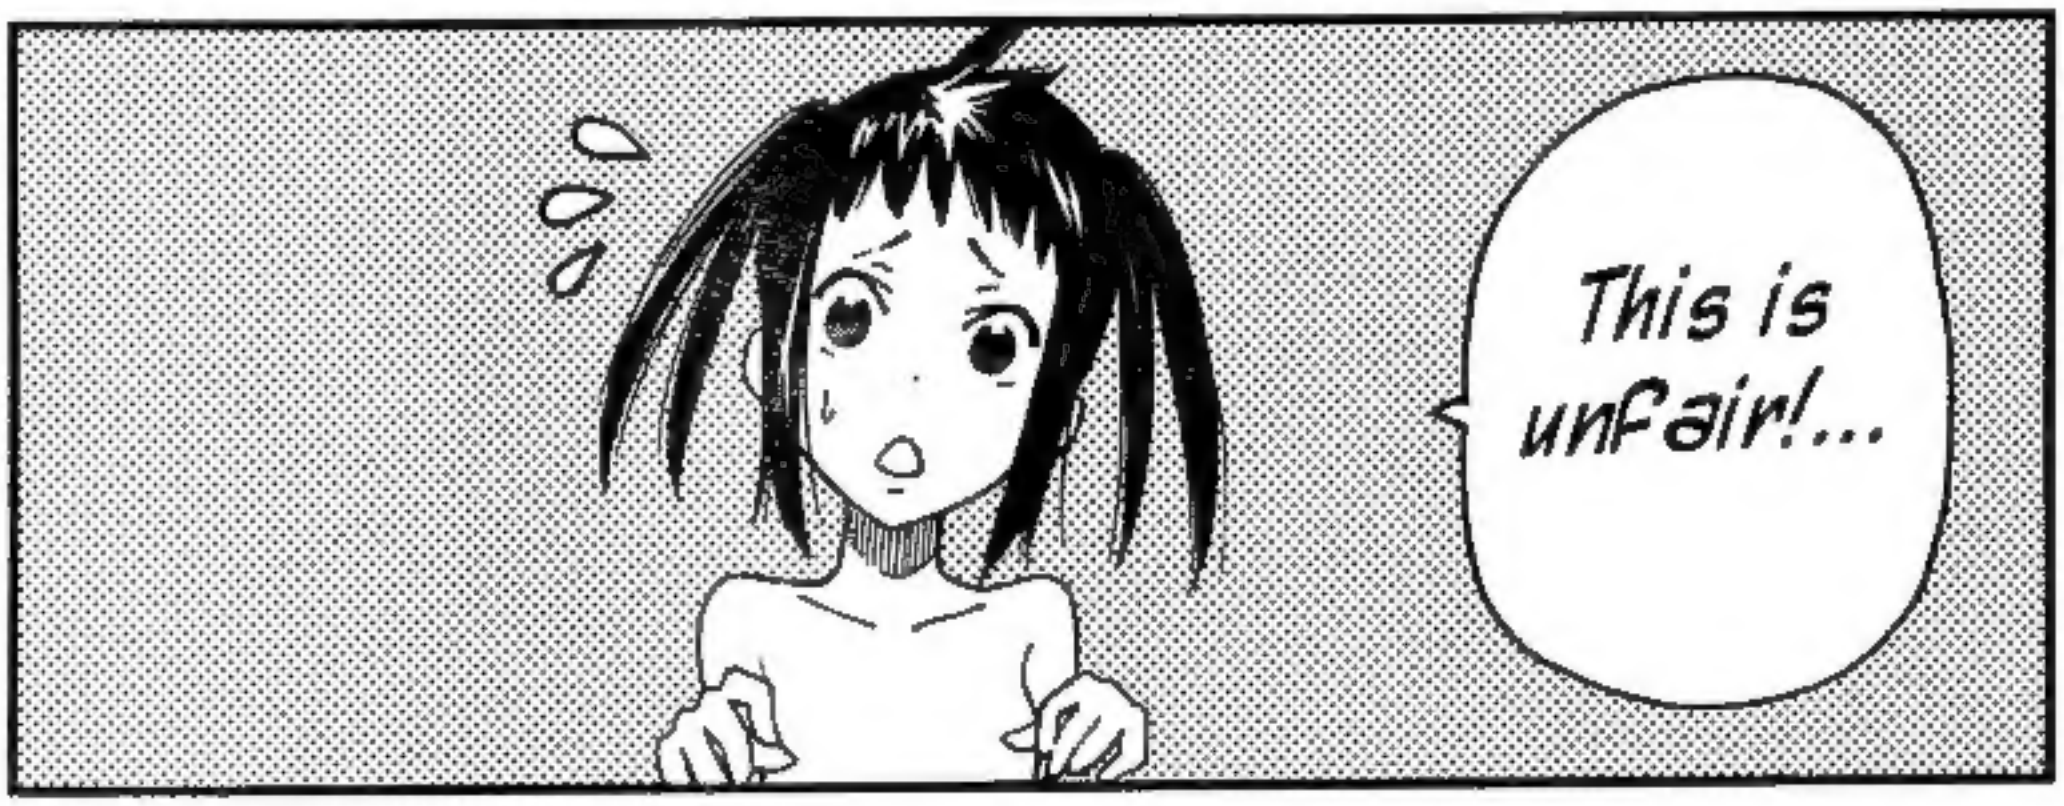
Firearms are indeed a nuisance... if only there was something to shield myself with...

!!

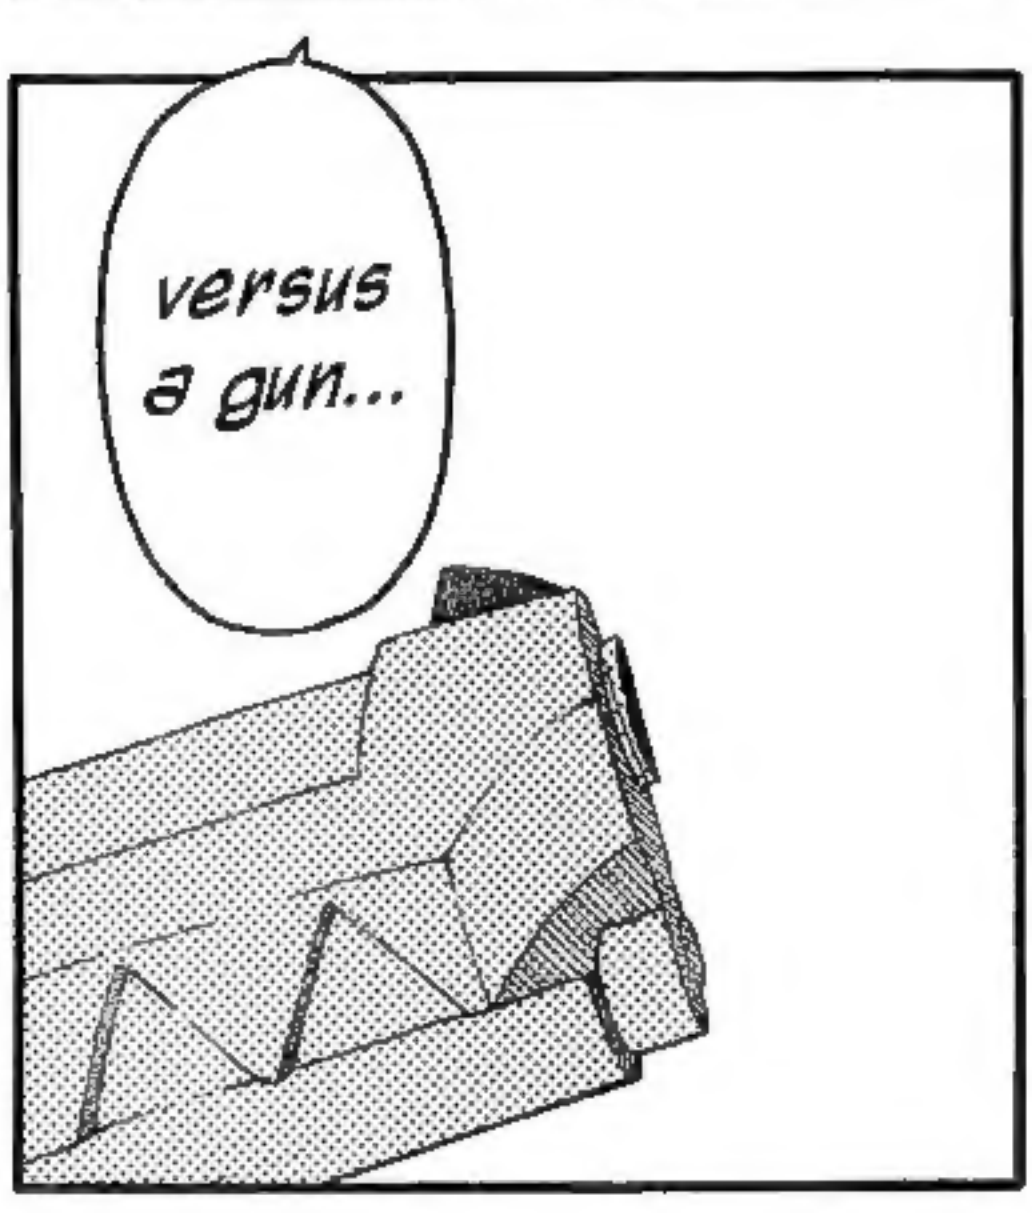
!!



YOU WON'T ESCAPE!



This is unfair!...

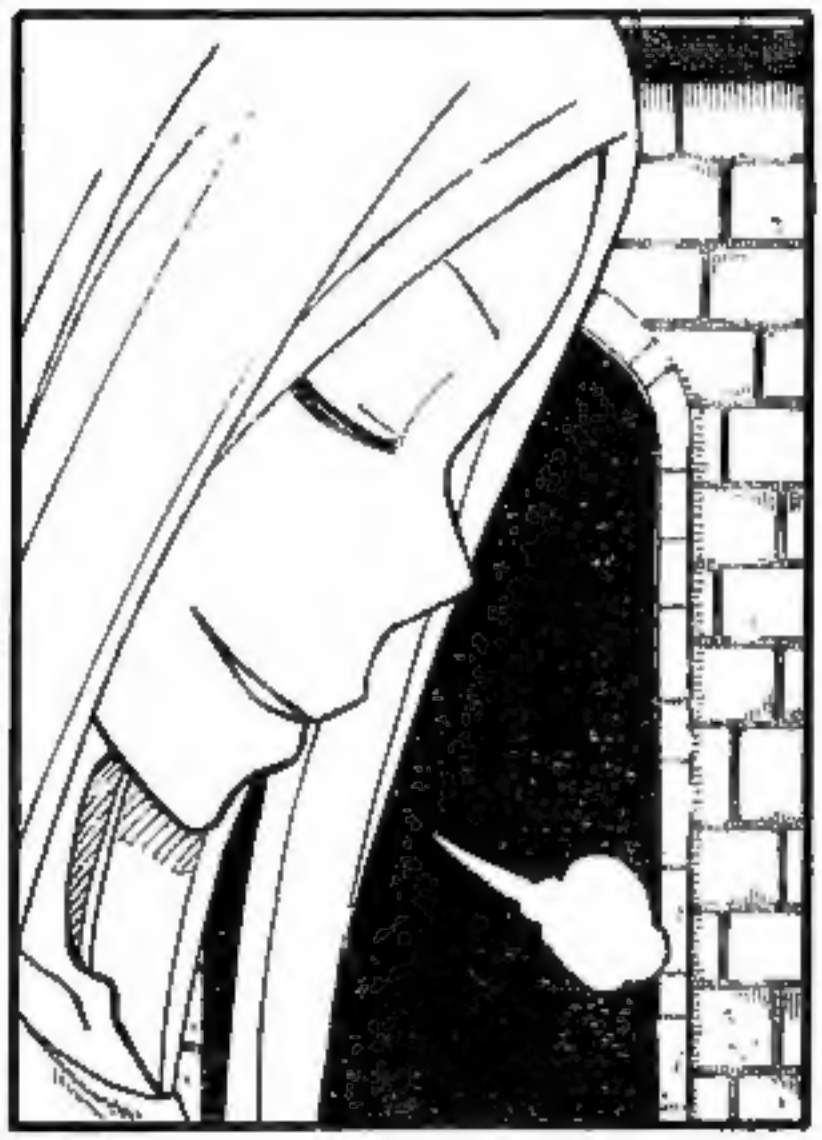


versus a gun...

A blunt, incom-plete weapon

IT'S OBVIOUS! IF PEOPLE EXIST IN THIS WORLD WHO ARE BLESSED SINCE BIRTH, THEN THE OPPOSITE MUST ALSO BE TRUE.

WHAT DO YOU SAY IF SOMEONE THINKS THINGS ARE UNFAIR?



ESPECIALLY WHEN YOUR OPONENTS THINK YOU'RE REALLY STUPID AND ONLY SPEAK SARCASTICALLY

THIS ISN'T FOR SPORT

EVEN THOUGH THIS ISN'T A RING

RIGHT NOW, OUR RESOLVE TO FIGHT IS REAL

APART FROM WHETHER OR NOT SUCH THINGS ARE CLEVER, THE WINNER IS STILL NOT DECIDED

OF COURSE THE GUY WITH THE BETTER WEAPON WILL HAVE THE ADVANTAGE

BETTER THAN BLADES, A GUN!

BETTER THAN FISTS, A KNIFE

FOR A LITTLE PRINCESS LIKE YOU, IGNORANT OF THE WAYS OF THE WORLD, IT'S TOO DIFFICULT TO UNDERSTAND

IT'S THE COMMON SENSE OF THE WORLD

HA HA...

Once held down, the distance...

Dishonest...

COWARD!!

THOSE TYPES OF THINGS!... TELL ME THEM BECAUSE I'M WINNING!!

WE AREN'T ON THE SAME LEVEL

THIS IS WHY WE SAID

NO

This, That, and Then, the following day...

KILL

ahhh~~ it finished~

I'm hungry

With this, today's lessons are over

what should we do for lunch?

I...

Are you serious?

...

Should we go to Master's pub?

We're still on probation, so messing with you would be troublesome

Given the circumstances, we'll forgive you...

NOOO!!

Tha... that's right ...

Meme-san! I already told you to stop that delinquent-ish speech!! Why do you never forget the bad words, but forget what I told you to forget!?

Wha... what? You forgot? Very difficult indeed.

Even I couldn't forget th... that devils dance*

TN - I believe this is a pun from the Bosozoku related "Kaze Densetsu Bukkomi no Taku" manga (1991) and/or it's 2011 -gaiden sequel, originally something like "dance with hard lucks", where "hard luck" is an alternate for Furyou (delinquents)

*Molestra: X long explanation is long! Also, DAT AHHA FACE!!! xD

I ended up coming alone
うしぽ
Master's shop is my precious place... I won't part with it...
Liz-san & Patty-san's home was the streets, where they fought for their place...
I'm scared too, but I'm feeling that running away is bad...

HOI!

YES!!

And what's more... I long for their strength ...

AH...

YES

SORRY ABOUT THAT

QUICK, DECIDE ON YOUR ORDER!

YOU... YOU GOT IT WRONG! I DIDN'T COME HERE TO BOTHER YOU BY ANY MEANS...!

Why am I trembling like this...

AHEM... WHAT'S THIS...

I'M DECIDING ALREADY ...

.....

But I kept going to the shop alone, day after day...

Those girl's bad reputation kept driving Master's customers away...

I wonder if it's ok... Master ...

Yet Master's face stayed expres-sion-less...

And then, for once, I stood up...

IF YOU DIDN'T COME FOR AN ORDER, LEAVE NOW! YOUR BOTHERING THE OTHER CUSTOMERS!!!

WHY DID YOU COME HERE!? YOU CAME HERE TO IN-SPECT AGAIN, DIDN'T YOU!?

I firmly told you the purpose of your social service...

If anyone is bothered, it's your fault

Liz!? What's going on?

!!

Those three white lines... I've never seen this customer until now....

SHUT UP!! GO AWAY!

!?

Hmm?

Excuse me

Eh!?

Eyes of gold.

..

Eh!?

Eeeh!?

Eyes of GOLLD

Heeh !?

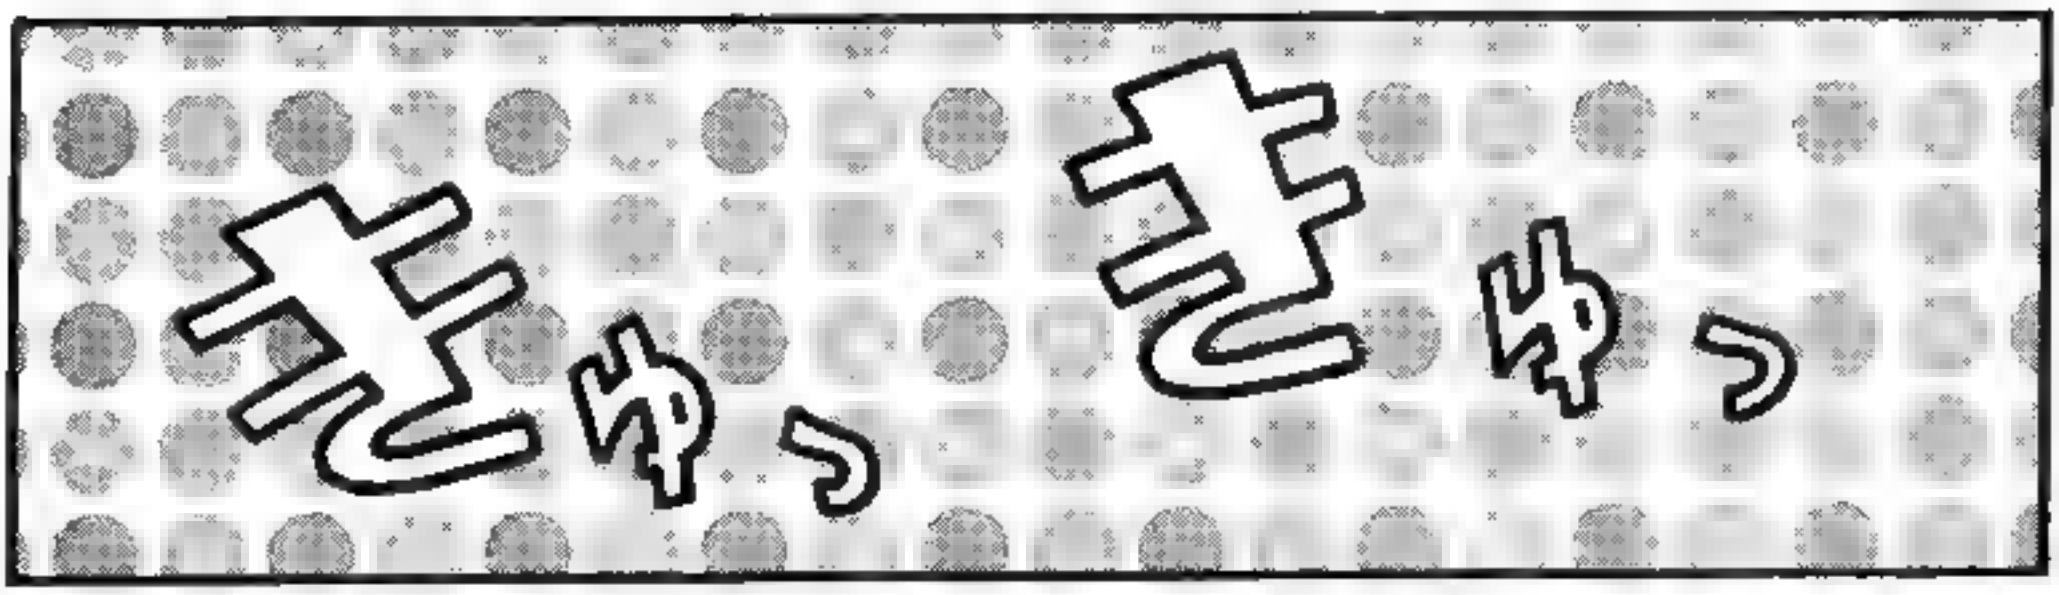
Done

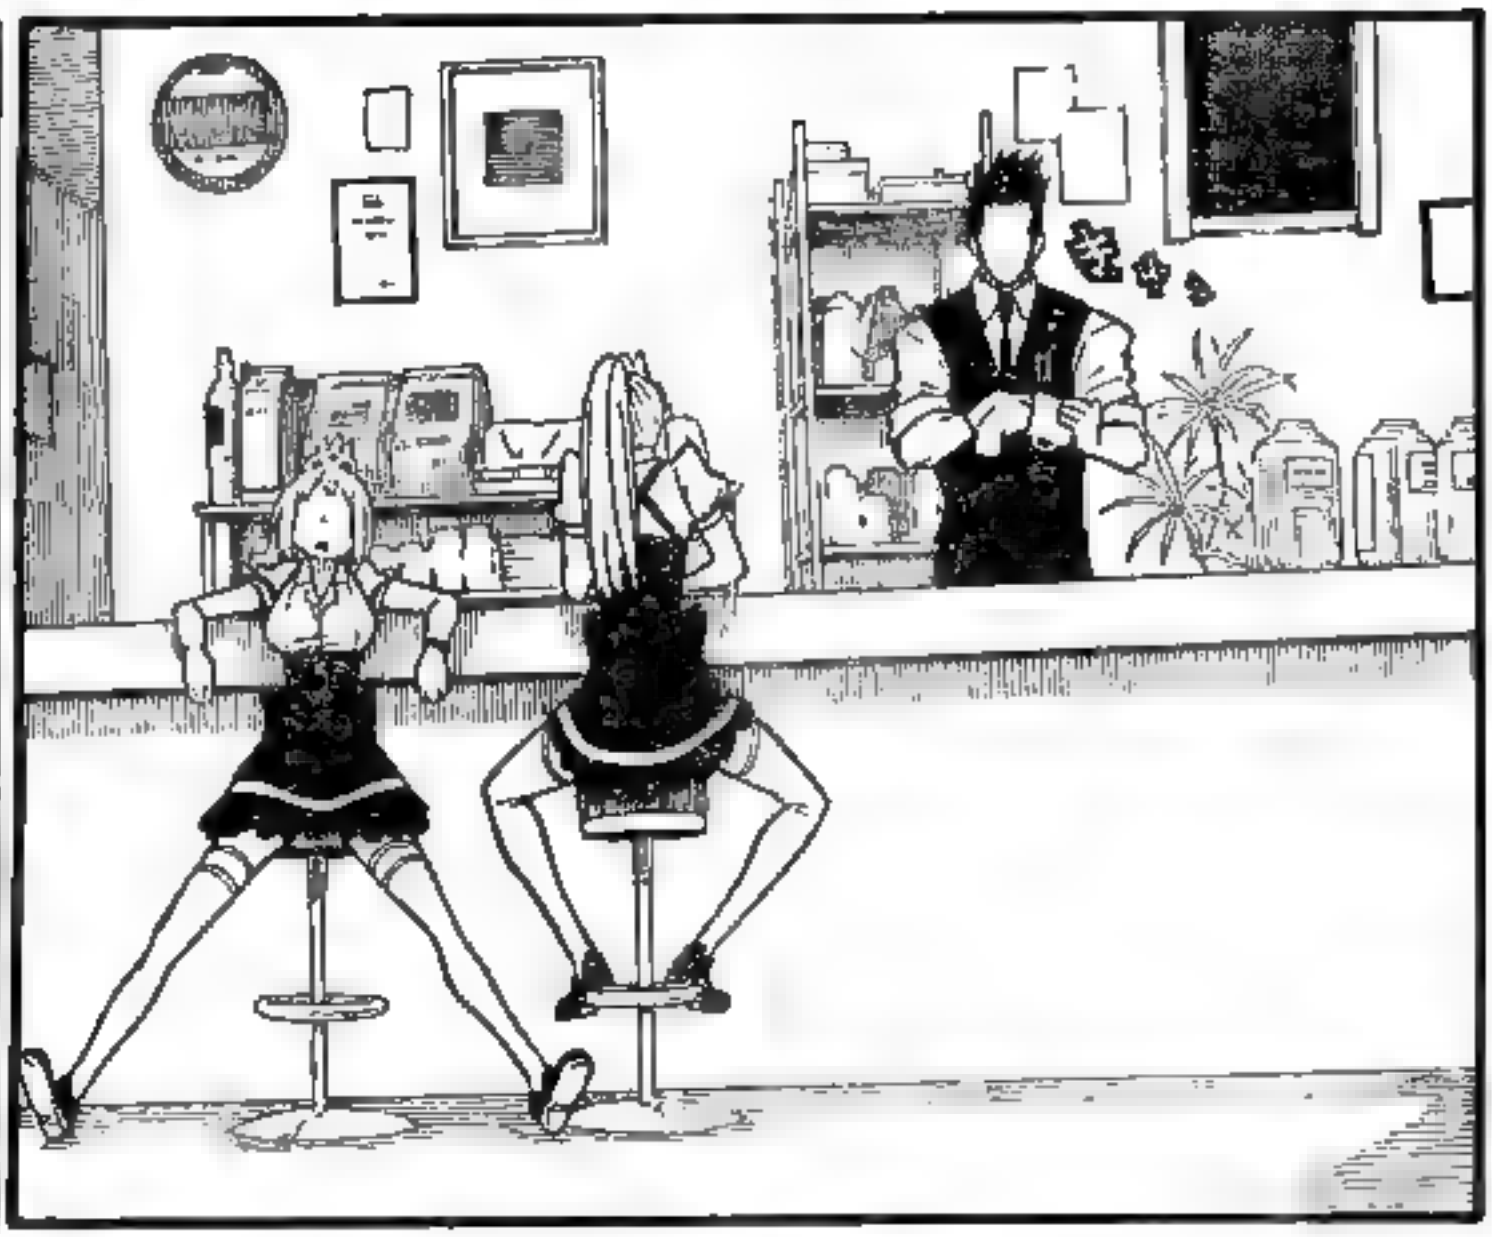
Bilaterally symmetric

Sa... saved...

Excuse me again

What's up with him... it seems he argued with Liz-san... could he be the higher-up from Shibusen that captured Liz-san and her sister?





ALTHOUGH IT LOOKS THIS WAY, EVEN WE CAN DO IT PROPERLY
WE EVEN WORE THESE FLATTERING UNIFORM...
DAMN

BREAK TIME

You know that you girls must persist

Nothing's impos-sible

Sorry, excuse me

IN ORDER TO BE LOVED BY SOMEONE, YOU NEED CHARM!

THERE'S NO HELPING IT! UP UNTIL NOW, NO ONE'S MESSED WITH US

NOBODY'S GOING TO UNDER-STAND OUR EXISTENCE ANYWAYS...

FWO

なな？

No! really ...

ARE YOU TRYING TO START SOME-THING, TO MESS WITH US?

WHY DO YOU ALWAYS COME HERE?

NO!! NONO!! ABSOLUTELY NOT!

I'M SCARED! I'M SCARED!

DON'T WE SCARE YOU?

Liz-san and Patty-san look scary, but...

hoping to acquire anything like your strength...

Scared... scared but

more than that, I'm envious of your strength so I keep coming back to the shop

You're super cute!

!?

!?

YOU... WHAT YOU ARE IDIOT YOU SAYING ?

WHAT'S UP, SIS?

!

Is that bad?

...we ... well I'm not into that kind of stuff

You like being scolded by beautiful girls?*

Aah! The waitresses are amazingly beautiful, but they have extremely bad manners

This shop?

*Molestra: I am! I am! SUPER ERO-MODE ACTIVATE!

If you say so...

I thought that it wasn't so

But everything here is really delicious

Tsu... Tsugumi-chan

.....

In the end, we came too

Anya-san! Meme-san!

Everyone comes seeking "Soul", that's Death City for you

Overrun with delinquents, there's no more need to scatter courtesies

This place is different from when you were here

Even I'm not the courteous type...

Well, time to work

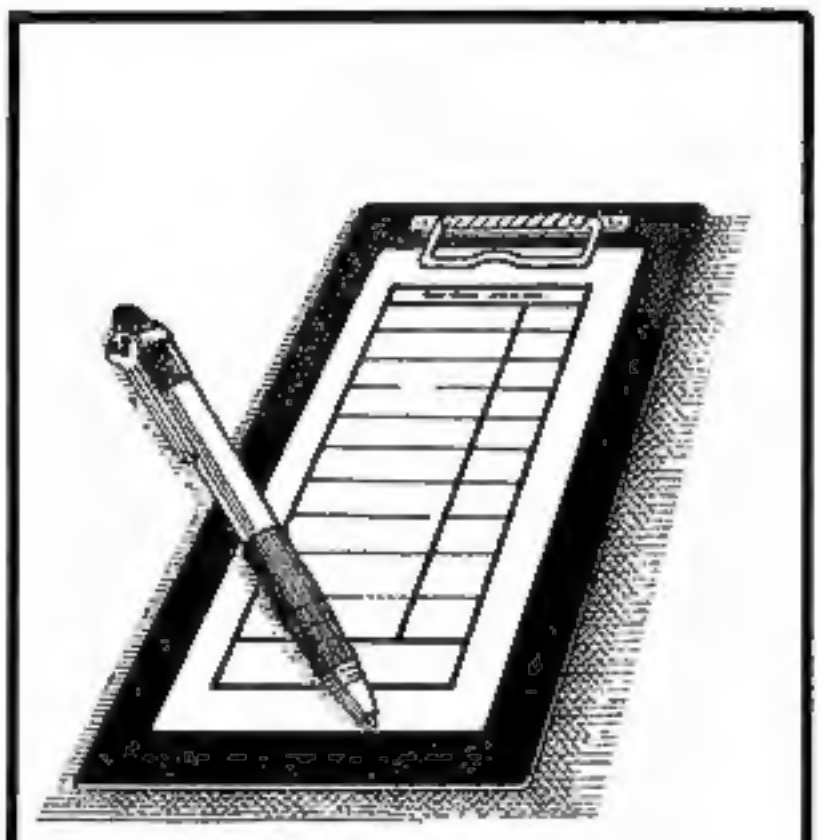
Uh...

Take a seat*

I'll bring the menu

*Molestro: 2 things, Liz & Patty are leaving their delinquent manners behind so there's a font change. Also, DOUBLE TSUNDERE!? MY HEART ISN'T READY FOR THIS!

What's that about the error of my decision?



hahaha... that might even be so

Tsugumi, you did your best...
